It's People Who Count: BGK Experiences Continued Growth

Our firm is pleased to announce the admission of two new partners: Alison Miller, CA (*standing left*) providing assurance, consultation and taxation services to small and medium-sized businesses and Mathieu Ouellette, CA (*standing right*) a member of our Tax Group specializing in corporate reorganizations and international taxation including cross-border transactions. Moses Bendayan, CFA (*seated right*), joins as Vice-President of BGK Corporate Strategies Inc., a company specializing in M&A and valuations. Mr. Bendayan brings over a decade of business transition and financing experience. He has an in-depth understanding of issues surrounding business transactions and is a coveted guest speaker on the subject. Managing partner, Louis Ruta, CA (*seated left*) joins the rest of the Bessner Gally Kreisman family in warmly welcoming our new partners and vice-president.
